## Ever wanted to learn Ruby?

Now is your chance

Belfast Ruby is a meetup for aspiring and experienced developers passionate about Ruby and Rails.

On 4th February we'll be holding a few short talks about how you can get started with Ruby and how it compares to other programming langauges.

Bring your laptop and we'll help you get set up, there will be snacks and drinks too!

## **Event Details**

Join us at Rumble Labs, 46 Hill Street at 6.30pm on **Tuesday 4th February**Find out more on **belfastruby.com** or follow **@belfastruby** on Twitter for details
