www.site2max.pro

Answers for some questions:

- Can I use these item in my commercial projects?
- Yes, you can use these item in all your projects for the end customer unlimited number of times.

- Can I use these item in templates and themes that will be sold on the freelance sites (for example, Graphicriver)?
- Yes, but be sure to add a link www.site2max.pro in the description of your item and in the accompanying documentation.

- Can I place this item (files) for download on another site?
- Unfortunately, you can't.

- Can I post a link to this item on another site?
- Yes, I'd be very grateful for that! =)
