

EDGE OF HEAVEN

## THE CHURCH IS ALIVE

Hope erupting  
Darkness shaking  
Faith is rising  
We know we know we know

Heartbeat racing  
Living in Your freedom  
Joy overflowing  
We know we know we know  
We know we know we know

Our hope forever  
Is the Name of Jesus  
We are free and You are with us  
The Church is alive

Passion burning  
Vision growing  
The Church declaring  
We know we know we know  
We know we know we know

This is what it sounds like  
This is what it looks like  
This is what it feels like  
When the Church is alive

## DO IT AGAIN

You came into my life  
You got me dreaming again  
You opened up these eyes  
You got me living again, would  
you do it again  
Would You do it again

Now caught in love's embrace  
You got me feeling again  
Now breathing in Your grace  
You got me singing again, would  
You do it again  
Would You do it again

This heart is coming alive in this  
moment  
Like never before  
In You we soar in the heights of  
Your presence  
God pour out Your love

Running in Your love  
My heart is racing again  
Knowing all you've done  
You got me singing again, would  
You do it again  
Would You do it again

You're all that I want, You're all  
that I need  
Jesus fill this life again  
You're all that I want, You're all  
that I need  
Come and breathe new life in me

## I AM HEALED

Lord I'm desperate for Your  
power  
I need a miracle  
Lord I'm desperate for Your touch  
I need a miracle

Heaven's floor is shaking  
Healing rain is falling  
Heaven's floor is shaking  
Healing rain is falling

I am healed I know I am  
For my God says I am  
Come what may my faith will  
stand  
I am healed I know I am

You are speaking faith is rising  
I need a miracle  
Christ my Healer the work is  
done  
I have my miracle

Sickness you have no power here  
Darkness you have no power  
here  
Chaos you have no power here  
In Jesus' Name

## JOY IS COMING

When I am caught off guard  
Nothing surprises You  
When I am overcome  
You're my rock

I've reached the end of me  
I've found all You are  
Jesus, my Prince of Peace  
You're my rock

Though there's pain in the night  
Joy is coming, Joy is coming  
Through the fire I am refined  
This I know

When I am lost for words  
You break the silence here  
You quiet my loudest fears  
You're my God

You make all things  
Work together for my good  
Oh my soul sings, I will trust...  
You make all things  
Work together for my good  
Through it all I've found

## NOTHING WAS THE SAME

You crafted earth within Your  
Word  
You rolled out the skies  
You placed the moon within  
the stars  
As Your glory shines

Nothing was the same  
Nothing was the same

You broke the night just like  
the sun  
You bore all my shame  
You wrapped Yourself within  
our sin  
You conquered the grave

Nothing was the same  
Nothing was the same  
All my sin erased  
Now my debt is paid

Jesus I am changed by one  
moment in Your presence  
Your presence changes  
everything  
Jesus I am changed by one  
moment in Your presence  
Let heaven fall down as we sing

## NO WONDER (ROAR OF THE RUGGED CROSS)

I see my Savior  
With love in His eyes  
His body broken  
With no sin to hide

I see my Jesus  
Eyes blind with blood  
His face is crimson  
His cry is love

No wonder we call You Savior  
No wonder we sing Your praise  
Jesus our hope forever  
You made a way, You made a way

I see redemption  
Ravage the grave  
The triumph of Heaven  
Christ Jesus our King

See the light tearing through the  
darkness  
Hear the roar of the rugged cross  
Jesus Christ You alone have  
saved us  
We worship You now

## ALL FOR THE ONE WHO SAVED ME

Sacred flame burn within my soul  
Holy fire I surrender all  
Sacred Name written on my heart  
Holy God my life set apart

All that I have I give  
All of my life I live  
All for the One  
All for the One who saved me

Sacred call stir my heart to go  
Holy Word that compels my soul  
Sacred Cross be my banner high  
Holy Church here to be Your light

All that I have I give  
All of my life I live  
All for the One  
All for the One who saved me  
I will take up my cross  
I will pour out my love  
All for the One  
All for the One who saved me

There's just something about  
Your Name  
There's just something about  
Your Name  
Jesus Savior, all the praise  
All for You, God

## YOUR PRESENCE

It's Your presence  
Lord I need Your presence  
To see You face to face my Savior  
Lord I need Your presence

We pray that Your presence  
Would rest in this place  
We pray that Your presence  
Would fill us again  
Breathe on us  
Holy Spirit breathe on us

There's nothing else  
There's nothing else  
There's nothing else that I want  
I want to see You  
I want to see You Lord

## EDGE OF HEAVEN

For now, we may feel pain  
For now, we stand in faith  
For now, Your Spirit moves  
For now, we reach for You

Here we are  
Living on the edge of Heaven  
Clinging to Your holy presence  
We're longing to be where  
You are

For now, You give us strength  
For now, Heaven calls our name  
For now, our hope is this  
For now, we know You're coming  
again

Here we are  
Living on the edge of Heaven  
Clinging to Your holy presence  
We're longing to be where  
You are  
Here we are  
Lifting holy hands to Heaven  
We will sing Your praise forever  
We're longing to be where  
You are

Take this world, take it all, give  
me Jesus  
Take my joy, take my pain, give  
me Jesus  
Take my life, everything, give  
me Jesus

## GOD'S NOT DONE

These walls were built for  
freedom  
Our hearts are filled with hope  
In You a new beginning  
I'm not done, we're not done,  
God's not done  
I'm not done, we're not done,  
God's not done

You will, You will finish what You  
started  
We will, we will stand upon Your  
promise  
And the gates of hell will not  
prevail against You  
You will, You will finish what You  
started

This house was built on promise  
To see Your kingdom here  
In faith we brave the shadows  
I'm not done, we're not done,  
God's not done

I'm not done, we're not done,  
God's not done  
I'm not done, we're not done,  
God's not done

## THE BEST IS YET TO COME

We Your Church stand  
unashamed  
Pressing onward in Your strength  
Praising You for all You've done  
The best is yet to come  
The best is yet to come

Greater things around the bend  
Kingdom come in us again  
Praising You for all You've done  
The best is yet to come  
The best is yet to come

Jesus lead us on  
We will follow You  
The best is yet to come

Moving forward  
For your glory  
We're never going to stop  
No we're never going to stop

We Your people run by faith  
Called to run the narrow way  
A move of God has just begun  
The best is yet to come  
The best is yet to come

In Your Name In Your Name  
Greater things are coming  
In Your Name In Your Name  
We believe for more  
In Your Name In Your Name  
Greater things are coming  
Greater things are coming  
The best is yet to come
